

# MISSION #GODmoment: PATCH EARNING GAME BOARD

**Summer 2020** is a board game curriculum adapted from *P.R.A.Y. Patch Series*. If you are not familiar with the P.R.A.Y. series, it is used in partnership with the Boy Scouts of America and the Girls Scouts of the USA to earn badges in areas that help you become closer to God. *The P.R.A.Y. Patch Series* is designed to help families, Sunday school classes, and scouting groups **get into the Bible** and is a series for people of all ages (school age and up).

## How does it work?

Each patch in this series focuses on a simple object (i.e. water, birds, books, etc.) and includes 3 Bible stories that feature that object. Each Bible story will require participants to **Read** the passage, **Picture** the story to answer questions, **Ponder** its meaning, and choose an activity or **Act**.

Patch game boards are independent study units that are ment to be done as a individual or family unit. Game Boards will be sent out each week via the ALL CHURCH SCHOOL email list. When each participant **Uploads** the required information requested while playing the game, they will earn a patch for that simple object. Mrs. Crandell will keep track of each participants earned patches and will deliver the patches directly to your home.

Each game board will have a START, FINISH and ARROWS to follow and lead each participant successfully around the board. Every box contains an action word and directions with links to successfully perform the action. Upon arrival at the finish line each participant will have completed the work to have earned that specific patch. Mrs. Crandell's way of keeping track of your success will be by viewing your completed **UPLOAD picture and Dear God Ponder letter** into the provided and LINKED GOOGLE SLIDE.

## The Patches- (Trees and Holes patch not pictured)

## Is there Summer Sunday School?

YES, but it will be VIRTUAL every Sunday throughout the summer. A Zoom link will be sent to you on the Saturday before. Miss Toni and a Church School Volunteer Teacher will lead a quick 20-30 min class that will include music time, faithful fitness movement, and activities to introduce the patch of the week and an explanation of the game board. The game board will be sent via email.
