The bible records that God not only appeared before people as a pillar of cloud but also as a pillar of fire. Imagine what this would look like. How would you feel? How would you show respect to God in cloud or fire form.

Ponder

It can be easy to take for granted the comfort and convenience of home. How have you taken part in creating the standard of living you enjoy. How did this festival help to "refocus" people and discourage this "take for granted" thinking?

MISSION #GODMOMENT: PATCH EARNING GAME BOARD

SUMMER 2020 is a board game curriculum adapted from *P.R.A.Y. Patch Series*. If you are not familiar with the P.R.A.Y series, it is used in partnership with the Boy Scouts of America and the Girls Scouts of the USA to earn badges in areas that help you become closer to God. *The P.R.A.Y Patch Series* is designed to help families, Sunday school classes, and scouting groups **get into the Bible** and is a series for people of all ages (school age and up).

HOW DOES IT WORK?

Each patch in this series focuses on a simple object (i.e. water, birds, books, etc.) and includes 3 Bible stories that feature that object. Each Bible story will require participants to Read the passage, Picture the story to answer questions, Ponder its meaning, and choose an activity or Act.

Patch game boards are independent study units that are ment to be done as a individual or family unit. Game Boards will be sent out each week via the ALL CHURCH SCHOOL email list. When each participant Uploads the required information requested while playing the game, they will earn a patch for that simple object. Mrs. Crandell will keep track of each participants earned patches and will deliver the patches directly to your home.

Each game board will have a START, FINISH and ARROWS to follow and lead each participant successfully around the board. Every box contains an action word and directions with links to successfully perform the action. Upon arrival at the finish line each participant will have completed the work to have earned that specific patch. Mrs. Crandell's way of keeping track of your success will be by viewing your completed UPLOAD picture and Dear God Ponder letter into the provided and LINKED GOOGLE SLIDE.
